## *With the help of the Almighty*

### *A Saloom Aleikum*

*As a delegation of Rabbis representing the Torah True Jews in occupied Palestine - the Holy Land - and throughout the world:*

*We convey the wishes and fervent prayers to the Almighty from all these Jewish People, that you should have a speedy, full and painless recovery, together with all who are sick, wounded and are suffering, physically and emotionally, in Turkey, in Gaza and throughout the world.*

*The world Torah true Jewish community is humiliated, shamed and frustrated, and our hearts are torn when we witness the genocide and atrocities which are being committed against our brethren, the Palestinian people, and most recently, against the Turkish people.*

*Our pain is compounded when we see that this is all being done in our name and with our identity, which has been hijacked.*

*We want the people of Turkey to know that we organize large demonstrations and protests, which take place around the world, frequently attended by as many as tens of thousands of Jews, and many times are coordinated jointly with the Arab/Muslim community in Palestine, England, Canada, U.S.A. etc [see [www.nkusa.org](http://www.nkusa.org)], and yet the press has continually refused to even acknowledge their occurrence.*

*May the Almighty speedily rejuvenate the Palestinian Nation, the beautiful people of Gaza, and all of Palestine. May the Almighty bless the great nation of Turkey, who love justice and peace, and have been an exemplary host and safe haven for the Jewish people for many centuries.*

*May the Almighty bring a speedy and peaceful dismantlement of the illegitimate occupation of Palestine, the rebellion against the Almighty -- the Zionist state of "Israel" -- a state which is expressly forbidden according to the Torah, so that Muslim, Christian and Jew can once more share a harmonious and peaceful co-existence, in an entirely "Free Palestine", Int'shala.*

*Ultimately, may we merit to see the revelation of the glory of the Almighty, when all humanity will serve Him in peace, joy and brotherhood -- soon in our days. Amen.*
